

Tucker Billman

Director of Government Relations

Oregon Rural Electric Cooperative Association (ORECA)

Tucker is a member of the NREDA Board of Directors and previously served as the Manager of Government Affairs for Oregon Trail Electric Cooperative (OTEC) out of eastern Oregon, where he handled state and federal level policy issues for OTEC along with OTEC's community outreach and economic development efforts. Tucker started his young career working for Oregon Congressman Greg Walden in Walden's district office for three years covering local outreach in 10 Oregon counties and working on agriculture and natural resource policy issues. He has also spent time with the Oregon Farm Bureau (OFB) where he supported OFB members in their advocacy efforts.
